Terre Haute, Ind., July 7.—Mayor Bidaman named A. M. Higgins, lawyer, and Joseph Elder, real estate man, as republican members of the board of safety and Dr. Gerstmeier as democratic minority member to succeed three members whose resignations he called for as a result of a controversy growing out of the suppression of gambling following the failure of the Vigo bank, which was commonly attributed to the gambling losses of Cashier Conzoman.

The new members have not been active in politics and have no alliance such as brought friction to the old board.

REFUSED TO SETTLE; TAYLOR BROUGHT BACK

Supt. Tom Dunn Wired Prosecutor Emison Friday Evening Asking What to Do and Was Told to Return the Prisoner.

Friday evening Prosecutor S. M. Emison, received a telegram from Supt. Thomas Dunn, who had taken J. Harrison Taylor to South Bend on saying that if they would bring the prisoner to South Bend they would make good by settling everything, but after he had arrived at South Bend they refused to do so and he awaited instructions of the Prosecutor. Mr. Emison wired the Vincennes officer to return the prisoner and he will be prosecuted. J. Harrison Taylor is the person whom officer Dunn went to Columbus and brought back here on the charge of robbing the office of Gault & Gault.

the architects and on account of the fact that he came from a good family Gault consented to not prosecute him if they would settle and pay all cost up to date. This they wired they would do and sent enough money by telegraph to pay the officer and the prisoners fare to South Bend but when they found that it would take \$180 to settle the matter in full they refused to pay and officer Dunn has been instructed to bring the prisoner back to Vincennes. It has been learned that Taylor has relatives in Vincennes who are well thought of but who do not approve of his wild way. Supt. Dunn arrived home with his prisoner last night.

EAGLES

Pipped Out the Number of Forty-eight

Initiation Was Followed By An Elegant Banquet at Harmonia Hall.

The Eagles took the town Friday night, and after one of the best and most important meetings ever held by the local Aerie, in which fifty-six new members were "hatched out" making a total membership of 325, all repaired to Harmonia Hall where one of the finest banquets ever spread in the city on any similar occasion, was awaiting them.

There were two hundred and fifty plates laid and the feast consisted of all the delicacies of the season and was prepared by Mr. Hannon, Manager of Hotel Boog, and was served in elegant style. This banquet has earned for him a reputation that will live long in the memory of those who attended and had an opportunity of partaking of it, and has won for him the plaudits of every Eagle in this part of the country. The committee having the banquet in charge have shown that they left nothing undone that would add to the comfort of the banqueters.

The committee was composed of the following well known gentlemen: Thomas Robertson, Louis Moninee, Adolph Weisenbach, Charles Mayer, and William DeJean and they are to be congratulated on their splendid efforts in preparing such a feast.

A smoker followed the banquet. John C. Wise acted as Toastmaster and he filled the place to perfection and with his usual ability and cheerfulness had the immense crowd in a good humor all during the banquet. Several speeches were made and the affair proved to be one of the most enjoyable meetings ever held and will rebound to the good of this one of the very best fraternal orders in the city.

Go to Mt. Carmel. The local aerie, several hundred strong will go to Mt. Carmel, Ill., on Tuesday of next week, accompanied by the First Regiment Band, for the purpose of instituting a new aerie in that city. The local team will do the installing. The Mt. Carmel aerie will entertain the visitors with a grand banquet at the close of the installation and a grand time is expected.

SNOW BABY RETURNS TO ARCTICS

New York, July 7.—Mrs. Peary and her children are on board the exploring ship Roosevelt, on which Captain Robert E. Peary is going to make another polar expedition. Mrs. Peary accompanied her husband on one of his expeditions, and their daughter was born in the Polar seas. This time they will go only as far as North Sidney.

BROODED OVER MOTHER'S INSANITY

FRIGHTFUL SCENE GREETS RESCUERS

Henrietta, Texas, July 7.—The rescuing party that traveled over the cyclone swept district met with a scene of devastation, destruction and suffering. An area five miles wide and sixty miles long was swept by the storm. The casualties exceed fifty and all of these are in families of farmers. Hundreds of head of live stock were killed. Practically all farm houses, barns and other buildings in the path of the storm were razed. A number of costly country school buildings and churches as far as Indian Territory were swept away.

Following the cyclonic feature of the storm was a terrific hail storm, which completed the destruction of the crops and fruit not already destroyed. The property damage is conservatively estimated at \$200,000. The storm came up suddenly and lasted but thirty minutes.

SHE DEFIED THE STATE

Logansport, Ind., July 7.—At Johnstown, Pa., Miss Fern Tolley, who left Indiana to escape the inquisitiveness of the new Indiana marriage law, became the bride of A. S. Shriner. Before the marriage Miss Tolley had arranged for a large home wedding, but when she had become acquainted with the "imperitance" of the new law, she indignantly told S. C. Gilford, the marriage license clerk here, that she would leave the state before she "would answer such foolish questions."

Records of Cas county show a falling off of one half in the number of licenses issued in June, 1905, after the passage of the inquisitive new law, as compared with the number of licenses issued during the 'brides' month' of the previous year.

NO FATALITIES IN BALTIMORE FLOOD

Baltimore, July 7.—The flood which caused the overflow of Jones Falls, has completely subsided. In the city no lives were lost and the damage will be confined to the streets in the vicinity of the Falls. Washington, Lutherville, Cockeysville, Melvale were hemmed in but no report of the loss of life has been received.

WAR NEWS ARMY PLANS REVOLT.

Half of St. Petersburg Garrison is For the Reform Movement.

Moscow, July 7.—Reliable information has been received here that shortly an ultimatum demanding political rights will be presented to the Czar in behalf of the army. The date of the demand will probably coincide with the completion of the mobilization now progressing when 200,000 of the youngest, and therefore the best trained and most talented with dissatisfaction, of the reservists will have received arms under officers drawn largely from civil life.

The initiative, it is asserted, will be taken by the garrison at St. Petersburg, at least half of which is alleged to favor the reform movement.

FORMER VINCENNES BOY DROWNED IN THE OHIO

In a letter to relatives in this city the sad information was conveyed of the death by drowning of William A. Robinson, a former Vincennes boy, who had quite a number of friends in this city. Young Robinson had been making his home in Louisville for a number of years, and a short time ago, desiring to go to New Orleans, he took employment on the Ohio River Towboat Jim Moran, en route from Louisville to the Louisiana port. When some distance below Louisville, Robinson, in some manner, fell overboard, and although an effort was made to save him, he

was drowned. The body was later recovered and taken to Louisville for interment.

Robinson was aged twenty-one years, and leaves a young wife and one child. The deceased was a son of George Robinson, formerly of this city, but now of Louisville. He was a grandson of the late Mr. and Mrs. Timothy Graham, who resided on Wabash Avenue, this city, and William A. Robinson, general baggage master of the B. & O., with headquarters at Cincinnati was an uncle of the deceased. His many friends at this point will certainly be pained to learn of his death.

TWO CURFEWS IN PITTSBURG

Pittsburg, Penn., July.—There were tears and protestations galore in this city but young Pittsburg went to bed early just the same. For the first time in 50 years curfew tolled and the indignant youngsters went in doors, but not until the policeman on the beat had in many cases been given a run for his money.

Not content with one curfew there must be two in Pittsburg. The first one was rung at 8:15, when the City Hall clock boomed out a warning to all girls under age and without a guardian to get under cover for the night. The next curfew was booked to come off at 9:45, but the small boy snickered openly until 10, when the town machinery which had been crossed, got right and the curfew boomed. It was then to the timber for the boys.

The curfew law of years ago has been revived in Pittsburg at the special request of Buck Wallace, Chief of Police.

NEGRO STRUNG UP BY A WHITE MOB

Dumas, Ark., July 7.—A negro working at a sawmill near Rives, disappeared from his home and at the same time the sixteen-year-old daughter of a white man was missed. Sheriff James Gould, of Pine Bluff found the man and girl at Tamo. He brought them back and the negro was met at the depot here by a crowd of men who seemed to be from the vicinity of Rives, bent on trouble. The officers, however locked him up in jail. This morning it was discovered that the jail had been broken and the negro was found hanging to a telegraph pole half a mile below town. The negro is thought to be Joe Woodman, of Rives, Ark.

SCARED OUT OF BUTCHER BUSINESS

Louisville, Ky., July 7.—John J. Scharf, for years one of the central figures in the market interests of the town, has sold out his business and retired. He was possessed of a mania that befell the year was out he would bleed to death, and believing that an ounce of prevention was worth a pound of cure, he took the step which he says will put him beyond the reach of the grim reaper, who, he firmly thinks, is trying to add another victim to his list via the bleeding route. Scharf dreamed of bleeding to death so often that he made up his mind that a live pauper was better than a dead butcher, and quit the business.

Foster owns a valuable French poodle that has manifested novel maternal instincts by adopting a family of homeless kittens, and now may be seen suckling the little animals. CINCINNATIAN IN MISS ROOSEVELT'S TRAIN

Clough Anderson Is a Rival Of Congressman Longworth For Lady's Hand.

Cincinnati, O., July 6.—Richard Clough Anderson, a son of Mrs. Larz Anderson, Grandin Road, and a relative of the Wallingford-Longworth families, is said to be the newest and most favored admirer of Miss Roosevelt.

Clough Anderson, as he is usually called, is now in San Francisco—at Miss Roosevelt's bidding—and will sail with Secretary of War Taft and the congressional party to the Philippines.

While Miss Roosevelt was a guest at "Rockwood" young Anderson, in his big, dark green automobile, was extremely regular in his attendance. He took the president's daughter riding in the morning when Congressman Longworth was busy explaining to reporters that there was "nothing new" and that he had no intention of assuming the matrimonial yoke. Miss Roosevelt attended the ball game at League Park in Anderson's auto, and he was one of the members of the party that helped amuse Miss Roosevelt at the Latonia races.

Cincinnati society is taking an unusual interest in the congressional junket to the Philippines. There is the very natural desire to see one or the other of the Cincinnati rivals win the hand of the president's daughter, and there are almost more Cincinnatians than members of congress in the party.

WIFE CAN'T STEAL FROM HER HUSBAND

Evansville Woman Arrested on Charge of Taking \$1,000 From Hubby.

Evansville, Ind., July 6.—Mrs. Carrie Westner, aged 21, was arrested here this morning by Detectives Hoger and Houghland charged with stealing \$1,000 from her husband at Peoria, Ill. John Bourglund, with whom it is alleged she eloped, was also taken into custody and the two will be returned to Peoria providing requisition papers are secured.

It is alleged Mrs. Westner came to this city about six weeks ago. She has been married less than a year, and it is said, left her husband one month after the marriage. It is said the woman confessed to the police that she took the money.

"But a wife can not be convicted for taking money from her husband," she said. "What is his his wife's, and his wife's is his." Mrs. Westner is a pretty woman.

COMPELLED MEN TO WORK BY MOONLIGHT

Covington, Tenn., July 7.—David Johnson, an aged farmer, appeared in the field of the plantation adjoining his and with a shot gun commanded the laborers to renew their operations. Earl Kinzey and Sheldon Watson were engaged in looking over their crop, and they, too, were put to work by the lunatic, and compelled to plow and hoe cotton for hours until the moon rose. The crazy man finally grew tired and disappeared, and the tired laborers deserted their posts after the longest day's work they had ever engaged in.
